PRODUCT An Eco-system to monitor patients & nurses allocation in Smart Nursing Homes

REAL-TIME SAFETY SOLUTIONS

EMERGENCY WRISTBAND

- **Indoor light harvesting** for charging-free operation
- Instant **fall detection**
- **Always-on** 24/7 monitoring
- Lightweight wearable design

GATEWAY

- **Connects multiple wristbands** via BLE
- Transmits real-time data to the cloud platform
- Supports scalable deployment in nursing homes

AI-POWERED INCIDENTS PREDICTION & HR SOLUTION

High-risk Residents/Zones

Resource Allocation Recommendation

Real-time Alert

Device Status Monitoring

INCIDENT FLOW CHART

Resident Falls

WRISTBAND detects event

GATEWAY validates locally

Cloud platform

Alert to nurse center

AI-DRIVEN PREDICT

PLAN AND MILESTONES Starts in Taiwan ... Korea & Japan are next!

CLIENTS WE SERVE

01 Nursing homes: Private & Public

02 Long-term care operators

03 Assisted living facilities

BUSINESS MODEL FOR WAVECARE

Key Partners

- OEM companies
- Healthcare professionals
- Components suppliers
- Nursing homes/ Long-term care operators
- Government/ Public health organisations

Key Activities

- R&D and Product improvement
- Supply Chain Management
- B2B Sales & Campaigns
- After-sales & Warranty support

Key Resources

- Energy Technology
- Partnerships with Government, OEM and Nursing homes
- Product design & schematics
- Patents

Value Proposition

- **Reduce nurses' workload:** classify risk levels of patients, smart fall detection ➡ Reduce manual monitor frequency
- **Efficient resident management solution for nursing homes:** Easy deployments; Labor savings; Health data tracking; Risk management, Smart incident detection system
- **Environment Protection:** Reduce electricity usage, reduce charger quantity, longer battery life, less battery waste

Customer Relationship

- 24/7 Technical support
- On-site training for nursing homes
- Health Seminar for residents in nursing homes
- Regular upgrade & check-ups software

Channels

- Direct B2B Sales Team
- Medical Exhibitions
- Website & Landing page
- Partner Network
- Referrals

Customer Segments

- Private nursing homes (primary)
- Public nursing homes (secondary)
- Long-term care operators
- Assisted living facilities

Cost Structure

- COGS
- Employees
- R&D
- Marketing & Campaigns
- Warranty
- Administrative

Revenue Streams

- Hardware Sales
- Annual Service Fee
